Yeaton is visiting from Kona, Hawaii and will be displaying a unique approach to island style music. Studying under notable artists such as Keola Beamer, John Keawe, Alex de Grassi and Peppino d'Agostino, Yeaton combines the beautiful sounds of slack key with other forms of fingerstyle guitar.

Chris A. Yeaton

Randazzo comes from a family of distinguished entertainers and brings a unique style of guitar playing to audiences. His tapping and slapping techniques leave most people asking themselves "how does he do that?" Randazzo draws much from his influences: Leo Kotke, Michael Hedges and Neil Young.
