

Betsy Wellings & Eric Miller

50TH
BIRTHDAY

CELEBRATION!

with:

Bill & Robyn Fisher

and

Part of Fortune

Though not necessarily a household name, Betsy is well-known in the musical community as one of the most talented of songwriters anywhere, one who brings an intensely focused craftsmanship and grace to her melodies and lyrics. Eric Miller is a luthier, a meticulous builder and caretaker of guitars, and is also a superb guitarist; he brings rich ideas to Betsy's songs, both vocally and instrumentally, providing the perfect completion to many of the arrangements. -Bill Fisher
