

Wes Weddell

“For the purposes of ‘The Project,’ I divided Washington State into nine semi-logical geographic regions. My goal was to produce one song from each region, and thus generate a collage of folk-musical snapshots that, when viewed as a whole, showcased the profound diversity of the fascinating residents in this corner of the twenty-first-century American West.” -Wes Weddell, about his CD, *my northwest home*. Come see what emerged.

Friday, October 18th 8PM

the **Matrix** coffeehouse

\$5 admission

434 NW Prindle St.
Chehalis, WA 98532
(360)740-0492
