DAN MILLS (AND HIS TRAGIC LOOPS)

Saturday, October 25th

8PM showtime

full menu available

dan mills is a fingerstyle guitarist who blends high level guitar performance with a cutting edge singer/songwriter style. during one of dan's typical shows a listener can catch an array of sounds ranging from soulful singing to ornate solos which he plays over loops that he records live during performance. dan's fan base has come to expect an energetic and personable performance every show, and because of this, he has earned a reputation for being an exciting and well received act everywhere he plays. if you enjoy artists such as dave matthews, michael hedges, john mayer or even radiohead, then be sure to check out his debut cd, "you can't find your way back" now on rebel alliance productions.
