Modern Day Hero plays all ages show Matrix show for local youth band to cause fun

about the band:

It was dark and cold one night...

Jesse walked into Reggie's house wielding a guitar. The two rebels lit up the skies with their music and along came a drummer in the mist calling himself "Brady Foley." Next thing ya know, Modern Day Hero became reality

at a set break!

recently recorded

This three piece from Chehalis, WA takes inspiration from rock and alternative music from the sixties to today. Come enjoy these great new artists! Their sets just keep getting better and better...
